Allocation of positions

The Committee allocates the 12 funded positions in accordance with Article 6 of the call for applications. At least eight positions shall be allocated from the reserved ranking list (Positions B.2), and the remaining positions from the general ranking list (Positions B.1).

The Committee has designated the first eight candidates on the B.2 ranking list and the first four candidates on the B.1 ranking list as successful applicants.

If one of the top-ranked candidates withdraws, the position shall be reassigned to the next eligible candidate on the relevant ranking list.

Successful candidates will be contacted by email by the PhD Office regarding all further formalities.
